Rabbi Bigelman  
Chabad on the River

Tucson has seen two acts of anti-Jewish hatred at local synagogues in recent weeks. A swastika and anti-Jewish slur was painted on the door of Chabad on River, and a rock was thrown through a window in the front door of Congregation Chaverim.

We at the Tucson Chinese Cultural Center stand with our Jewish brothers and sisters and with all of Tucson in denouncing such hateful acts. Hatred has no place in our community, and we abhor it no matter who it targets.

Let's be kind to one another and demonstrate the warm and supportive city Tucson can be.

Sincerely,

Peter P. Chan  
TCA President
