DINING GUIDE

TAVOLINO RISTORANTE ITALIANO

MASSIMO TENINO, chef/owner

Born and raised in Northern Italy, where he learned his cooking skills from his mother and grandmother, Massimo Tenino came to the United States in 1993 and spent the next years developing his culinary style in Los Angeles and San Francisco. In 2003, he moved to Tucson where he opened Tavolino Ristorante Italiano the following year. Since then, Chef Tenino has received consistently rave reviews and the restaurant continues to be one of Tucson's favorite places for lunch, dinner or happy hour.

THE TASTEFUL KITCHEN

Sigret Thompson and Keanne Thompson, co-owners

Sisters Sigret and Keanne Thompson believe "it was destiny and purely divine that The Tasteful Kitchen has come to be." They have worked in the food and beverage/hospitality industry for decades. In March 2010, they started a small catering business, a venture that led them to 722 N. Stone Ave. for the commercial kitchen they needed, which eventually evolved into the restaurant. Although the economy was not the best when they opened in February 2011, they were confident their business concept "would go over like gangbusters because there was a lack of vegetarian restaurants" and they knew Tucson was ready for their style of modern vegetarian cuisine.
